

The enclosed disk consists of digital copies (simple digital pictures) of pages of a picture book assembled by Honolulu Friends Meeting of the Golden Rule, Phoenix, their crews and various protests here in Honolulu. Many pictures are faded, so I have tried to improve the color and contrast digitally, but original pictures are also included. The original picture book is located here at the Honolulu Friends Meeting. We hope some of these images will be of use to you.

David Wood, Resident

Honolulu Friends Meeting
