

VFP Golden Rule Boat Project Presentation by Helen Jaccard, Project Manager

The historic Golden Rule sailboat has been on missions promoting peace and abolition of nuclear weapons for over six decades and now sails for a nuclear-free world and sustainable future. The crew is currently traveling down the Mississippi River as part of the Golden Loop Voyage with several stops along the way. Come for this educational session about the current activities and learn what can be done to stop the possibility of nuclear war.

Sponsored by VFP Local Chapters 161 (Iowa City) and 169 (Cedar Rapids)

Unity Center of Cedar Rapids

3791 Blairs Ferry Road NE at 7 pm. Thursday, October 6, 2022

This Historic Sailboat Supports UN Treaty
to Ban Nuclear Weapons
