# MEET THE CREW OF THE GOLDEN RULE!

**Spacecat Brewery**  
**7:00pm-9:00pm**

Come meet the veteran crew of "The Golden Rule", the boat that sailed to the Marshall Islands to stop atmospheric nuclear weapons testing in 1958. This eventually led to the ban on nuclear testing. The boat will be docked at the Veterans Park marina from 5/29-6/2. The Veterans for Peace crew are sailing around the U.S. to convey the dangers of nuclear weapons and what we can do to prevent it. Food truck will be available.  
57 Chestnut St, Norwalk, CT
