GOLDEN RULE: THE JOURNEY FOR PEACE

DIRECTED BY NOLAN ANDERSON

This brand-new documentary captures the historic 2021 **ocean crossing of the Golden Rule from Hawai'i to California**, offering a rare, intimate view of life aboard a vessel dedicated to peace, environmental justice, and nuclear abolition. Director **Nolan Anderson**, who also served as crew on the voyage, weaves together breathtaking footage and firsthand stories that connect the original 1958 mission to today's urgent calls for disarmament.

PASSIONATE LIVING – POWERFUL JOURNEY OF THE GOLDEN RULE BOAT

DIRECTED BY CAT MILLER

This episode from the acclaimed television series *Passionate Living* features a compelling interview with long-time Golden Rule Captain **Kiko Johnston-Kitazawa**, recorded during the **2023 Great Loop Voyage** in Buffalo, NY. The episode offers an accessible, heart-centered overview of the boat's mission and the spirit behind her crew.

The panel will include filmmaker **Nolan Anderson**, **Michelle KanoLehua Marsonette**, Project Manager of the Golden Rule Project and crew member on the 2021 Hawai'i–California crossing, and **Scott Yundt**, Executive Director of Tri-Valley CAREs in Livermore. Panelists will discuss the making of the film, the lived experience aboard the Golden Rule, and what this unique vessel continues to teach us about courage, collaboration, and the long arc of peace.

This screening is part of the **Golden Rule 2025 San Francisco Bay Voyage**, a multi-city tour bringing the message of nuclear abolition, climate action, and community resilience to ports throughout the Bay Area.
